- It suggests user with high rating of movies using Django, REST API's

Expense Tracker ↗| Flask, HTML, CSS, Bootstrap, ChartJS
- - It helps to keep track of the expenses easily and show its graphical representations according to categories

ACHIEVEMENTS

- LeetCode badges – Data Structures I and II, Algorithm I and II, SQL, Pandas.
- Earned **5* rank** on HackerRank on **Python**,and **SQL** skills.
- LinkedIn Skills Assessment badges – Python, MySQL, Django, OOP, HTML.
- Achieved a **top 2.7% ranking on LeetCode**.

CERTIFICATIONS

- Complete Python Certification - **Udemy**
- C++ Programming Fundamentals Certification- **Infosys Springboard**
- SQL and Python Intermediate and Advanced Certification - **HackerRank**
- HTML and CSS Certification - **Udemy**
- Career Essentials in Data Analysis Certification - **Microsoft and Linkedin**
- Communication - **Barclays**

STRENGTHS

- Positive Attitude and Public Speaking.
- Quick Learner.
- Adjustable and Adaptable according to situation.
- Ability to work in harmony with teammates.

EXTRACURRICULAR

- Member at Association of Computer Engineering.
